BAG International Arts Festival

(English below)

La Facultad de Bellas Artes de la Universidad de Granada organiza BAG International Arts Festival, una iniciativa impulsada en colaboración con el Vicerrectorado de Internacionalización de la Universidad de Granada.

El Festival Internacional de Arte BAG, además de promover y difundir el desarrollo de proyectos, exposiciones e investigaciones en el contexto de los distintos programas de movilidad nacional e internacional activos en nuestra Universidad, también busca hibridarse con los de sus homólogos en otras instituciones: incentivando iniciativas comunes en torno a la creación como motor en la investigación, y el intercambio internacional como fórmula docente y de extensión cultural conjunta.

Para ello BAG dispone de tres programas asociados, cuyas iniciativas son visibilizadas a lo largo de cada curso académico:

El programa BAG STUDENTS está dedicado a promover iniciativas de profesionalización y promoción del currículum complementario de estudiantes de nuestra facultad de movilidad entrante y saliente.

El programa ACCIONES BAG impulsa iniciativas conjuntas que favorecen la participación y el intercambio entre profesores, investigadores, estudiantes y personal de administración y servicios de nuestra facultad y de instituciones de otros países.

El programa ACADEMY ART GALLERY INTERCHANGE, dirigido a profesorado e investigadores entrantes y salientes, fomenta el intercambio y visibilidad de proyectos de creación artística que se incluyen tanto en el Festival BAG como en programaciones de espacios expositivos de países socios. Este programa se vincula, además, con la Red de Arte ACADEMY ART GALLERY INTERCHANGE promovida por la Facultad de Bellas Artes de la Universidad de Granada.

El espacio que aquí se presenta funciona como un repositorio de los resultados artísticos obtenidos con las actuaciones emprendidas mediante estos programas en las distintas ediciones de BAG.

The Faculty of Fine Arts from the University of Granada organizes BAG International Arts Festival, an initiative spearheaded in association with the Vice-Rectorate for Internationalization of the University of Granada.

In addition to promoting and publicising the development of projects, exhibitions and research in the context of the various national and international mobility programmes active at our University, the BAG International Arts Festival also seeks to hybridise with those of its counterparts at other institutions: incentivising common initiatives on the subject of creation as an engine in research and international exchange as a formula for teaching and joint cultural outreach.

To this end, BAG develops three programs of which initiatives are made visible throughout each academic year:

The BAG STUDENTS programme is dedicated to promoting professionalisation initiatives and complementary curriculum for our faculty's incoming and outgoing mobility students.

The BAG ACTIONS program promotes joint initiatives that encourage participation and exchange between teachers, researchers, students, and administrative and service staff from our faculty and institutions in other countries.

The programme ACADEMY ART GALLERY INTERCHANGE, aimed at incoming and outgoing teachers and researchers, promotes the exchange and visibility of creative projects included both in BAG International Arts Festival and in the programmes of the exhibition spaces of the partner countries. This programme is also linked to the ACADEMY ART GALLERY INTERCHANGE Network promoted by the Faculty of Fine Arts of the University of Granada.

The space presented here works as a repository of the artistic results obtained with the actions undertaken through these programmes in the different editions of BAG.
