*Welcome to our Faculty!*

*Today is an important day, it is a pleasure -also an honor- for us having you here. In this faculty we value the wealth of having students from different countries and other cities in Spain; we hope that this course will help to make this enrichment mutual.*

*We are pleased you've chosen us. Your choice reinforces the importance of the collective, broad, and plural work done by all the members of this faculty, which helps us to continue being a model in the context of the University of Granada, in the city, and the world. By this, we want to tell you that we believe you have chosen well, and we want to thank you for the confidence you have placed in us.*

*We are sure that this mobility will bring you unforgettable experiences, not only on the personal (mobility always means to recharge energy and fill the mind with new ideas) but also at the professional level: a study published by the European Commission ensures that mobility improves considerably employment prospects.*

*In the academic field, this Faculty will offer you deep training in contemporary artistic languages, as well as around techniques and tools necessary for the conservation and restoration of cultural heritage. You will have an excellent team of teachers, passionate about their work, who will transmit to you not only knowledge but experiences that will leave their mark.*
